OBJECTIVE

A committed and driven B.Sc. Computer Science graduate seeking an entry-level position to kickstart my career. Eager to join a learning-focused environment where I can improve my skills, grow through hands-on experience, and dedicate myself fully to any challenge I take on

EDUCATION

- 2018 • **Ebenezer English Medium H.S., Kalliserry**
Secondary School Leaving Certificate(SSLC)
93.3%
- 2020 • **Swami Vivekananda HS, Pandanad**
Higher Secondary Education (HSE)
67%
- 2025 • **College of Applied Science, Perissery**
B.Sc. Computer Science

EXPERIENCE

- 2020 - 2021 • **Retail Manager**
Bhoomi Supermart
 - Gained hands-on exposure to database-driven retail systems (POS & inventory software), understanding how transactional data (sales, stock, suppliers) is structured and retrieved for business operations.
 - Studied data flow between billing, inventory, and supplier modules, building foundational knowledge for designing normalized database schemas for retail systems.
 - Supervised inventory operations, ensuring database entries for stock levels and restocking were consistently updated.
 - Collaborated with software vendors to resolve system and data discrepancies, improving understanding of real-time database transactions and integrity.

SKILLS

- **Programming Language**
Python, Java, JavaScript
- **Web & Database Technologies**
HTML, CSS, React, SQL
- **Tools and Software**
Visual Studio Code, IntelliJ IDEA, PyCharm, Postman, Microsoft Office
- **Operational and Soft Skills**
Inventory Management, Team Leadership, Communication, Time Management

PROJECTS

- **Gesture Controlled Virtual Mouse**
 - Built a touch less virtual mouse using MediaPipe, Python, and OpenCV.
 - Enabled gesture-based mouse controls (click, scroll, drag) using real-time hand tracking.
 - Focused on improving accessibility, reducing latency, and enhancing accuracy.
 - Utilized pyautogui for OS-level control, exploring applications in assistive tech.

ACHIEVEMENTS & AWARDS

- State Finalist – AI Quiz Competition. Selected among top students for the State-Level Finals of the AI Quiz, part of the International Conclave on Generative AI and the Future of Education 2.0, organized by IHRD and the Department of Higher Education, Kerala, sponsored by NEST Digital. (Held at Kanakakkunnu Palace, Trivandrum – Dec 2024)
- NCC Cadet – B Certificate Holder. Awarded the ‘B’ Certificate after successfully completing rigorous training in leadership, physical fitness, and national service. Developed resilience, responsibility, and a service-oriented mindset.
